2. Extra Duty Assignment

Failure to give notice shall indicate a willingness to accept the same extra duty assignment if the BOARD chooses to make the offer.
- 3) The second consecutive resignation from a position would release the staff member from that obligation. The Administration and the Board shall work diligently with the staff to see that extra-curricular assignments are equitably made and are given to those staff members who wish the same. (FY25)**

ARTICLE VIII: REDUCTION OR REALIGNMENT OF STAFF

Nothing contained in this ARTICLE shall be interpreted as limiting the BOARD'S authority to determine the number of teaching positions in the school district. When the decision to alter the number of positions may result in a reduction in the number of teachers, the following procedure will be utilized in determining which teachers' employment status will be affected by the decision.

- Reductions will be made through normal attrition (e.g., resignations and retirement).
- If normal attrition does not satisfy the need, teachers with less than full certification (defined as holder of Authority to Act) in the endorsement area to be Reduced In Force, shall be released first.
- Teachers who have not achieved continuing contract status will be released next.
- Teachers who have attained continuing contracts will not be released unless the required reduction is not achieved in A, B, or C above.
- The criteria for determining staff reductions are certification, seniority, and evaluation. Seniority shall mean the years of continuous service in the District. If two or more teachers are determined by the supervising administrator to be equally certified, the teacher with the least seniority in the Hot Springs School District will be laid off first.

- F. In making staff reductions the Board will follow the provisions of applicable law.
- G. Any teachers laid off pursuant to this policy shall have recall rights to any position for which he/she is certified for a period of one (1) calendar year from the first day of school following the effective date of such layoff notification. Teachers laid off shall be recalled to available positions in reverse order of their lay off. Laid off teachers shall be notified by certified mail of available positions for which they are certified. Notification will be sent to the teacher's address on file with the Board. It is the teacher's responsibility to maintain a current address with the Board. Failure to respond to such notification within fourteen (14) calendar days of the mailing shall result in the termination of the teacher's right of recall.
- H. Teachers laid off by this policy shall not lose their benefits or positions on the salary schedule. However, a teacher will not receive increment credit for time spent on lay-off, nor will such time count toward the fulfillment of continuing contract status. If a teacher refuses a recall notice, he/she surrenders his/her priority for re-employment and thereafter shall be considered a new applicant.
- I. Notification of lay-off shall be delivered in writing to the teacher(s) affected not later than April 15th.

APPENDIX H “FAMILY AND MEDICAL LEAVE ACT”

1. An eligible professional staff member is entitled to up to a combined total (paid and unpaid) of twelve (12) weeks of FMLA leave per year for:
 - a. The birth and first year care of a child;
 - b. The adoption or foster placement of a child;
 - c. The illness of the professional staff member's spouse, parent, or child; or
 - d. The professional staff member's own illness.
2. The professional staff member must first use and count all available accrued paid leave, including vacation, sick leave, and personal leave, before using the unpaid leave. During the period of FMLA Leave, the professional staff member is entitled to the continuation of all fringe benefits. Professional staff members will still earn sick leave and vacation days while on FMLA Leave. The District will continue to pay its portion of the health insurance, and it will be the professional staff member's responsibility to continue to pay for his or her portion. Upon return to work, the professional staff member will be entitled to his or her same position or an equivalent position with equivalent pay, except that return to work during the last two (2) or three (3) weeks of a semester is subject to certain restrictions. See Special Rules below.
3. In case of birth, adoption or foster placement, the FMLA Leave entitlement for child-care ends after:
 - (a) the child reaches the age of one, or
 - (b) twelve (12) months after adoption or placement. FMLA Leave to care for a child would include leave for a step-parent or a person in loco parentis.
4. In cases where both spouses are employed by the District, the combined amounts (both professional staff members) of FMLA Leave for birth, adoption or foster placement, or family illness is limited to twelve (12) weeks. Personal illness is not limited to this combined total.
5. The District, at the request of the professional staff member, may agree that the professional staff member may take leave intermittently or on a reduced hours basis in connection with the birth, adoption or foster placement of a child. This is subject to the recommendations of the administrator or supervisor and is at the request of the professional staff member.
6. When FMLA Leave is in connection with birth, adoption or foster placement, and is foreseeable, the professional staff member must provide at least thirty (30) calendar days' notice of the date when FMLA Leave is to begin. When FMLA Leave is in respect to family professional staff member illness which is foreseeable, the professional staff member must make a reasonable effort to schedule treatment, including intermittent and reduced hour leave, so as not unduly disrupt the operations of the District.
7. In case of illness of the professional staff member, in addition to current sick leave policy requirements, the District may require the professional staff member to provide certification by his or her health care provider that the professional staff member is able to return to work and is able to meet the essential functions of the job.
8. If a professional staff member fails to return to work after the leave period has expired, unless the absence is due to continued family or personal illness or other circumstances beyond the professional staff member's control, the District will require the professional staff member to reimburse the District's share of the health insurance premiums paid while the professional staff member was on FMLA Leave.
9. Special Rules:
 - a. Rules applicable to Instructors in Periods near the Conclusion of an Academic Term (School Semester). The following rules apply to any professional staff member who takes FMLA Leave under this policy and who is employed principally in an instructional capacity:

1. If FMLA Leave begins more than five (5) calendar weeks before the end of an academic term, the principal may require the professional staff member to continue taking leave until the end of that academic term if:
 - a. The leave is of at least three (3) calendar weeks duration; and
 - b. The return to work would occur during the four-week calendar period before the end of the academic term.
- b. If FMLA Leave begins within the five (5) calendar weeks before the end of an academic term, the principal may require the professional staff member to continue taking leave until the end of that term, if:
 1. The leave is of more than two (2) calendar weeks duration; and
 2. The return to work could occur during the two (2) calendar week period before the end of the academic term.
- c. If FMLA Leave begins within three (3) calendar weeks before the end of the academic term, the principal may require the professional staff member to continue taking leave until the end of that term, if the leave is for more than five (5) working days.
- d. If the District requires a professional staff member to extend leave under these rules, the extended leave is counted against the professional staff member's FMLA Leave allotment. If the professional staff member's FMLA Leave allotment expires during the extension, the additional time is nevertheless deemed FMLA Leave.
- e. Questions on these special rules should be addressed to the Superintendent or designee. The supervisor or designee will work individually with a professional staff member who wants to apply for FMLA Leave. FMLA request forms are available from the Business Manager.
