SDEA RETIRED

Welcomes YOU

STAY CONNECTED. MAKE A DIFFERENCE.
KEEP GREAT BENEFITS.

Why SDEA-Retired?

As an active NEA member, you can join other NEA active members who have subscribed to an NEA-Retired life membership. Public education and educators face challenges that require the resolve and support of its members — all of its members, both active and retired. NEA needs your support, your wisdom and your leadership to forge a path forward. NEA-Retired members work with active NEA members to

- Preserve, protect, and improve retirement pension and health benefits, including state pensions, Social Security and Medicare
- Improve public education through mentoring, literacy, and intergenerational programs and activities
- Advocate for legislative and political action to support public education and educators
- Participate in intergenerational programs that link retired educators with young people in need of help
- Continue their involvement with their state association and NEA and enjoy new and different activities with former colleagues and new friends
- Volunteer in community-based programs and projects that help make America stronger
- Give you the opportunity to remain engaged on important issues facing students, education and educators.

For a one-time lifetime subscription fee of only \$400 (plus applicable state dues), NEA-Retired lifetime membership provides

- Enjoy NEA-Retired lifetime membership and benefits
- Be part of a powerful, active retiree organization that understands the value of public education
- Give you a head start on enjoying a financially secure retirement by using pre-retirement planning info found in your suscription to *NEA Today* for NEA-Retired Members
- Make available leadership opportunities including voting and holding office in your retired organization and participating in literacy, mentoring, early career educator and lobbying projects
- Keep you eligible for NEA Member Benefits such as liability insurance, long-term care insurance, Medicare supplemental insurance and credit card/savings programs
